Art Unit: 3635

The amendment filed 10/21/02 proposes amendments to claims 9-20 that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. The amendment attempts to reinstate original patent claims 9-20 in an amended form. The amendment fails to present the claims with all changes made vis-à-vis the patent to be reissued. See MPEP 1453 for the manner in making amendments in reissue applications. Also note that in reissue practice only a copy of the claims with any changes made vis-à-vis the patent to be reissued is required. A clean copy of the amendment is not required. A supplemental paper correctly amending the reissue application is required.

A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
